

Magnetic Mount Solution for GPSD4 Dual Sharkee

SAB-311

SAB-311

- Rugged Magnetic Mount Adapter
- For Temporary Mounting

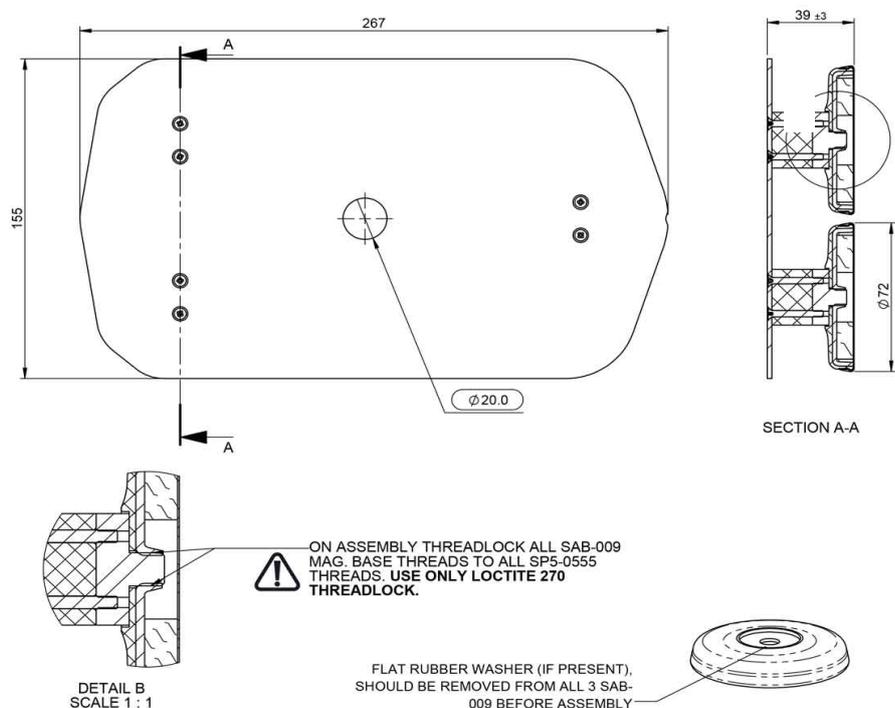

For use with the GPSD4/SHKG4 range of Dual Sharkee 4x4 MiMo antennas, the SAB-311 provides a magnetic mount solution for antenna trials and drive testing.

Using three heavy duty magnets fitted to a stainless steel metal plate, this provides a simple and quick solution that allows the antenna to be fitted on the vehicle roof in order to evaluate the antennas performance without drilling any holes.
